<p><b>Individual and uniquely private accommodation with a secluded private garden entry. Inspired timeless design, where creative surroundings provide unique and engaging experiences for the soul - inclusive of continental breakfast provisions ...31 March 2010</b></p>	<p><b>Per night double occupancy inc gst \$435.per night</b></p>
<p><i>The Castle Keep</i> - Ground &amp; 1st floor of west tower.</p> <p>A multi- storied enchanting, romantic castle-like retreat, constructed from Angaston white marble, with the romance of an embellished stone working baronial fireplace. Early C19th high backed, ornately carved English oak bed(Californian KS), original hand coloured steel engravings c1868, hand painted central rib vaulted ceilings, stone spiral staircase, mullioned and lancet windows, stone flagged floor and walls, with spacious two person ensuite corner spa bath and ground floor kitchenette area with stainless steel appliances. C19th Georgian high back upholstered fireside double chair and C18th English carved oak coffer complete this romantic fairytale setting. Open plan first floor bed/living/sitting area at the top of a stone spiral staircase, with ground floor bathroom, kitchenette and hallway entry from garden. Private rustic flagstone paved and hedged courtyard with outdoor setting. Juliet balcony on the first floor, through gothic arched and shuttered French doors. Widescreen <b>HD LCD/DVD.MP3.ipod dock</b></p>
